Single Equality Scheme (2015-19)

The Ellis has adopted the BMBC Single Equality Scheme with the following equality objectives and priorities:

- Minimising the impact of welfare reform on vulnerable families
- Challenging harassment and hate crime
- To better understand our changing communities
- Meeting the needs, improving outcomes and promoting the wellbeing of children and young people from diverse and disadvantaged backgrounds
- Providing and organising support to schools and settings so they can develop and implement their equality plans under the Public Sector Equality Duty
- Helping schools identify, record and tackle all forms of bullying
- Narrowing any gaps in achievement and attainment between children from ethnic minority and other under privileged groups, including children in care and their peers
- Maintaining a focus on meeting the needs of children and young people with special educational needs, learning disabilities, disabled children and those with complex health needs.
