

Summary of SPG Spending Academic Year 2014/2015

Objectives in spending SPG:

1. **School Improvement Priority** - To effectively spend the PE funding to ensure standards in the subject are raised and can be maintained in the long term
2. **Key outcome** - Improved pupil participation rates in after school clubs and inters school sports.
3. **Summative Evaluation Strategies** - Staff training, planning, photographic evidence, pupil + staff questionnaires, analysis of uptake for after school clubs

Summary of spending and actions taken

Sports Premium Grant 2014 / 2015: £8760

Curriculum Aims	Intended Outcome/ Impact for 2014-2015
1. Continue to develop a curriculum that provides children to a broad range of physical activities	<ul style="list-style-type: none"> • Staff to work with Team Activ to complete a curriculum audit • Staff to have CPD to develop subject knowledge • Staff to take part in team teaching PE with specialist coaches from Team Activ
2. Ensure children are physically active for sustained periods of time	<ul style="list-style-type: none"> • All children should be completing a minimum of 2 hours high quality PE sessions per week.
3. Engage children in competitive and non-competitive activities	<ul style="list-style-type: none"> • All children to have an opportunity to take part in intra and inter school competitions from KS1
4. Promote healthy, active lifestyles to children	<ul style="list-style-type: none"> • To promote clubs to a wider audience including vulnerable and reluctant children. • Children given opportunities to engage in a positive lifestyle choice through links with other curriculum areas and outside agencies.

Aim 1 - Continue to develop a curriculum that provides children to a broad range of physical activities

- The Ellis offers a broad curriculum through a variety of sports taught in PE from Foundation Stage.
- The Ellis continues to offer after school clubs every term focussing on a different sport and taught by specialist coaches from Barnsley Football Club to ensure children are getting high

quality provision.

- Staff from Team Activ have worked alongside staff to teach different classes for a half term each, ensuring the classes are having high quality provision whilst simultaneously providing CPD for staff.
- Children in the Foundation Stage have been taught the fundamental skills of balancing, throwing, catching by an experienced coach.
- We have secured a holiday club which is free to attend for children providing a range of activities both mentally and physically challenging (e.g. the children took part in a CSI role play, but also completed multi skills and sports activities different from those in a PE lesson)
- By using the SPG we have also been able to provide swimming with transport to and from the venue to ensure all children leave The Ellis with their 25m National Curriculum badge.

CPD

- Staff have taken part in a range of CPD opportunities. A staff subject knowledge audit was carried out and any areas where staff felt they lacked confidence were addressed. Many staff commenting they found Dance particularly challenging. 3 practical, after school staff meetings were scheduled where staff received Dance CPD by a trained dance coach. Planning, progression, assessment, differentiation and resources were covered in these sessions. The sessions focussed on dance in foundation stage, Key Stage 1 and Key Stage 2. **All** teaching staff attended and evaluations afterwards found **all** staff felt more confident and had more ideas about teaching dance and making dance more creative for the children.
- Staff have also received advice from Team Activ staff and taught a half term alongside them to see good practise in action.

Aim 2 - Ensure children are physically active for sustained periods of time

- From September 2014 children have been taught from the new curriculum. All classes receive a minimum of 2 hours timetabled PE.
- Foundation stage also take part in Write Dance which encourages movement whilst also developing their gross motor skills.
- Energy Club is also offered 3 times per week during breaks for the children to receive 15 minutes high intensity sport in a fun environment.
- Lunchtime supervisors also run sport led activities and music is on every lunchtime to encourage children to move and dance, who otherwise would have been sedentary.

Aim 3 - Engage children in competitive and non-competitive activities

- From February 2015 The Ellis joined Team Activ. Each half term competitions are available for all keys stages to take part. Since joining we have attended: KS1 Multi Skills, Year 3/4 hockey, Year 5/6 Netball with many more planned for the final term. Children won their league and progressed through to the final in Year 3/4 hockey.
- KS2 children have also taken part in a 2 football competitions at Barnsley Football Club

Aim 4 - Promote healthy, active lifestyles to children

- The Ellis works in a partnership with Sustrans Bike Charity. Through involvement with

Sustrans we have been able to provide the children with a Get off Stabilisers session for Key Stage 1, Bike Ability in Year 5, Smoothie Bike for all KS2 children (which encourages a healthy, lifestyle and promotes good food choices, Arts and Crafts and information on bike sessions, maintenance sessions and Dr Bike. **In March we received Bronze School Mark Status** after completing a number of criteria.

- Children took part in "The Big Pedal 2015." For 3 weeks children were encouraged to come to school on their bikes or scooters, promoting a healthy, active means of travel whilst also easing congestion around the school gates. This was supported by some staff also changing their usual mode of transport to a healthier throughout the 3 weeks. A Bike It Breakfast (a healthy breakfast consisting of juice, croissants, yoghurts and fruit) was provided to all children who arrived via bike or scooter. Parents were also encouraged to join in with the competition. We came 5th overall in Barnsley.
- We continue to have Bike to School Weeks to get the children arriving to school in a healthy and active way
- Children in all year groups have an opportunity to bake and cook to develop their knowledge of food
- An updated travel plan has been written with targets for the school to try and get more children and parents coming to school in an active way
- The Ellis has also received Healthy Schools Mark this year

Next Steps...

- **Aim 1 –**
 - To complete a curriculum audit
 - To ensure high quality PE is taught across all Key Stages
 - To attend CPD courses to keep up to date with any curriculum changes
- **Aim 2 –**
 - To ensure all children take part in PE
 - To promote after school clubs and increase participation rates
- **Aim 3 –**
 - To participate in a higher number of inter and intra school competitions
 - To communicate sporting achievements and competitions more with parents through the new school website and the weekly newsletter
- **Aim 4 –**
 - To encourage all children to travel to school using sustainable transport
 - Promote healthy active lifestyles outside of PE e.g. in the classroom, in other curriculum areas
