VIP TEA focus this week is 'Don't give up'

28.4.17 We enjoyed watching the GB BMX champion Kelvin Batey. He referenced our learning behaviours, especially—don't give up, push yourself, work hard and try new things.

Learning at The Ellis

We had a really positive letter from The Church PCC last week about our Easter Service, they said:
 'We were very impressed with the delivery and quality of the service, everyone participated fully and it was just so enjoyable to hear the well-known Easter story delivered this way.
 The children's behaviour was exemplary and it was a real pleasure to host this service for our Church school.'
 We totally agree, our children were brilliant.
