KS2 Golden Banquet

VIP 'Improve'

We had a recent visit from one of the LA lead teachers to review our Maths at school and were delighted with his feedback. He could see how engaged and excited our children are about Maths. He was positive about how far we have come in a short space of time with teaching Maths Mastery. A huge thank you to Mrs Wise for leading with such passion, to all our teachers for embracing a new style of teaching and to all our children for being brilliant. We have certainly 'IMPROVED'
