F2/KS1 Golden Banquet

VIP 'Don't give up'

SPORTS WEEK

We had a fantastic Sports week, Ash Randall came in to visit us again and he certainly never gave up his desire to improve his football skills. We are proud that so many of our children try their best at sport and 'DON'T GIVE UP'

Learning at The Ellis

Golden children 23.3.18

THRIVE

We are delighted to say that Mrs Gay and Mrs Hurding are now Thrive trained, which means we can become a Thrive school.

The Thrive Approach

'What does it take to develop healthy, happy, confident children who are ready and open to learning? Recent advances in neuroscience, attachment theory and child development have provided some of the answers to this question.

The Thrive Approach draws on insights from these fields to provide a powerful way of working with children and young people that supports optimal social and emotional development. In particular, the Approach equips you to work in a targeted way with children and young people who have struggled with difficult life events to help them re-engage with learning.

Thrive uses arts and play-based activities with children to support healthy neural development, promote a positive sense of self and build optimal learning capacity.'
