# The Ellis News

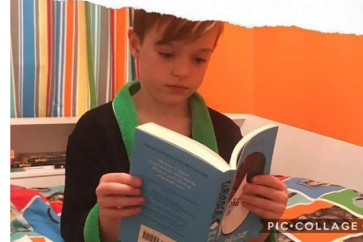

Autumn 2 2017

Date: 6.11.17

Get caught reading !

Getting through the 100 recommended books

## Golden children 26.10.17

We are so proud of all our GOLDEN Children. Every week we remind all our children to be PROUD of their learning.

## VIP 'Work Hard'

All boys last week for VIP. Did you know 61% of our school are boys.

We are proud of all our children for **working so hard** for an 8 week term. Thankyou to everyone who popped in to see the learning the last day of the half term.

## Learning at The Ellis

Reading—we are so proud that so many of our children are choosing to read. Thank you for all your encouragement and Support. We really want our children to get excited about books and stories.

Every Friday we have a 'GET CAUGHT READING' raffle.

We are now writing stories as a school — the adventure begins in Nursery and travels through school ending with a Y6 conclusion. We share our stories when they are finished and the book is called 'MAKE YOUR OWN MAGIC'.

We love to share and write stories — the Y1 children now have story telling shelves and we are setting up story telling bags where children can make more magical stories.

We are wanting to sort out the school story sacks. If anyone has some time to spare to check through them please let the office know. We are turning Mrs Gay's old office into a reading room so come down into the 'RABBIT HOLE'.
