Learning at The Ellis

Y2 Residential to Whirlow Hall Farm

Thank you to Mrs Trotter, Mrs Edwards, Mrs Law and Mrs Sutton for taking the first two Y2 groups of children to Whirlow. Thank you to all the parents for letting us take your wonderful children on this adventure. The children have had an amazing time collecting eggs, grooming animals, horse riding, den building and helping to make tea. Independence and team building skills were encouraged throughout the residential. We know group 3 will have an amazing time too. Just a reminder all our classes have a **TWITTER** account. This really is a fantastic way of seeing the learning that is happening in school. Follow us on **@TheEllisPrimary** - each class has their own too.
