Learning at the Ellis

As our school data is still below National, Barnsley Local Authority (LA) will continue to support us to improve the outcomes of school. The LA are coming in to REVIEW school on the 11th November.

As a school we are (and have been) working hard to improve Teaching and Learning at our school and we are proud of the curriculum we offer at The Ellis.

One of the key scores that continues to be below National is the COMBINED score. To achieve the combined score children need to be WA (Working At National levels) in Reading/ Writing and Maths. So they need to be WA in all three areas to achieve the score.

As a school we will continue to do everything we can to support school, our teachers and most importantly our children to
