Early Years Foundation Stage
Medium Term Planning

Focus: Me and My Family	Term: Autumn 1 2022	Class: FS1/FS2
<p>Main themes/ focus (linked to general development)</p> <ul style="list-style-type: none">• All children to work on their independence skills Inc. shoes, coats, bags etc.• All children to continue to work on personal hygiene – including hand washing and using the toilet appropriately.• All children to continue to sing Nursery rhymes each week and number songs & rhymes.• All children to learn rhymes from Poetry basket based on Autumn.• All children to access mark-making in their writing books on a weekly basis.• All children to access Dough Disco activities to develop their fine motor control.• All children to access large paper & pens (BEFT Project) to develop fine motor skills linked to writing.• All children to access Funky Fingers activities to help develop their fine motor control.• All children to access loose parts to help develop thinking, concentration, visualisation and motor skills.• All children will continue to develop their understanding of the current season of Autumn and the changes that Winter brings.• All children to continue to listen to and read their class top 10 books.• All children to listen to stories for pleasure throughout each day.• F1 children to access regular talk time activities throughout the week.• F2 children will develop their speaking and listening skills through accessing Lola the Listening Leopard activities and NELI.• All children receptive and expressive language will be enhanced through accessing the WellComm Language Programme.• F1 will continue developing knowledge and understanding of environmental sounds as a precursor to Read Write Inc.• F2 to continue to access and consolidate set 1 Read Write Inc. Sounds with a focus on segmenting and blending.• F1 to continue to develop everyday maths language linked to number nursery rhymes and incidental maths language through access to provision in the environment.• F2 –all children will continue to develop their understanding of numbers up to 5 and the relationships between each number. Children will learn the composition of numbers and access provision linked to key concepts through their environment.• All children will continue to develop their gross motor skills through access to the provision and outdoor environment.

Early Years Foundation Stage
Medium Term Planning

Literacy	Mathematical Development
<p>Enjoy songs & rhymes, tuning in & paying attention. Join in with songs & rhymes. Say some of the words in songs & rhymes. Copy finger movements. Sing songs & rhymes independently. Enjoy sharing books. Pay attention & respond to pictures. Have favourite books. Repeat words & phrases from familiar books. Ask questions about a book. Develop play around stories. Notice some familiar print. Enjoy drawing freely. Add some marks to their drawings. Make marks on paper which stand for their name. Understand print has meaning, print can have different purposes, we read English text from left to right top to bottom, the names of different parts of books, page sequencing. Develop phonological awareness, spot rhyme, and count & clap syllables, recognise words with same initial sounds. Engage in extended conversations. Use some print & letter knowledge in early writing. Write some or all of their name. Write some letters accurately. Begin to read individual words by saying the sounds for them. Begin to recognise written names of peers, siblings or family members. Begin to hear and say the initial sounds in words. Begin to enjoy an increasing range of books Begin to use vocabulary that is increasingly influenced by books. Begin to describe a main character or event. Begin to recall and discuss information or stories that have been read to them. Begin to segment and blend the sounds in simple words. Begin to read some high frequency (common exception) words linked to RWI such as I, to, the, no, go etc. Begin to segment the sounds in simple (CVC) words when spelling/ writing words. Begin to give meaning to the marks they make as they draw, write and paint. Begin to break the flow of speech into words and begin to identify the initial sounds in familiar words. Begin to segment the sounds in simple words (including CVC words). Begin to use their developing phonic knowledge to write simple labels and captions with support. Begin to form some letters correctly.</p>	<p>Take part in finger rhymes. React to changes in amount. Compare amount saying lots, more, same. Develop counting like behaviours. Count in everyday situations. Build with a range of resources. Complete inset puzzles. Compare size & weight. Notice patterns and arrange things in patterns. Develop fast recognition of up to 3 objects. Recite numbers past 5. Say 1 number for each item in order. Know that the last number reached when counting tells you how many in total. Show finger numbers up to 5. Link numerals & amount. Experiment with symbols & marks. Solve real mathematical problems. Compare quantity using language more and fewer than. Talk & explore 2d and 3d shapes. Understand position. Describe a familiar route. Discuss routes & location.</p> <p>Make comparison relating to size, length, weight, capacity. Select shapes appropriately. Combine shapes to make new ones. Talk about & identify patterns around them. Extend & create patterns. Notice & correct repeating patterns. Begin to describe a sequence of events. Begin to recite numbers in order up to 10. Begin to count up to 5 objects, actions and sounds using 1:1 correspondence. Begin to use their fingers to represent amounts up to 5; begin to represent amounts up to 10 Begin to link the number symbol (numeral) with its cardinal value up to 5. Begin to understand the one more/1 less relationship between consecutive numbers up to 5. Begin to use mathematical vocabulary to name and use everyday words to describe their simple properties. Begin to compose shapes so that they understand that shapes can be made up of other shapes (just like numbers can) Begin to copy a simple repeating pattern. In meaningful contexts, begin to find the longest/shortest, heaviest/lightest, more/less full/empty of at least 2 or more items.</p>
Understanding the world	Expressive arts and design
<p>Repeat actions. Explore materials with different properties. Explore natural materials indoors & outdoors. Make connections between features of their family & other families. Notice differences in people. Use all of their senses to explore. Explore collections of materials with similar & different properties.</p>	<p>Move & dance to music. Join in with sings & rhyme. Explore a range of sound makers. Start to make marks intentionally. Explore paint. Express thoughts & ideas through making marks. Enjoy taking part in action songs. Start to develop pretend play. Use their senses to explore different materials.</p>

The Ellis CE Primary School
Early Years Foundation Stage
Medium Term Planning

<p>Talk about what they see. Begin to make sense of their own life story & history. Show an interest in different occupations. Explore how things work. Understand key sequence of life cycle. Begin to understand & respect their environment & living things. Explore & talk about different forces. Talk about the differences in materials. Continue to develop positive attitudes between people. Know there are different countries in the world. Begin to talk about member of their immediate family and community. Begin to understand that some places are special to members of their community. Begin to recognise that people have different beliefs and celebrate special times in different ways. Begin to name and describe people who are familiar to them. Begin to comment on images of familiar situations from the past. Begin to compare and contrast characters from stories, including figures from the past. Begin to explore the natural world around them. Begin to describe what they see, hear and feel whilst outside. Begin to understand the effect of changing seasons on the natural world around them Begin to recognise some environments that are different to the one in which they live. Begin to draw information from a simple map.</p>	<p>Use their imagination & consider what they can do with different materials. Make simple models. Take part in pretend play. Begin to develop stories using small world equipment. Make imaginative small world using blocks & construction kits. Explore different materials freely. Develop their own ideas. Join different materials. Create closed shapes with continuous lines. Draw with increasing detail. Use drawing to express ideas. Show different emotions in their drawings. Listen with increasing attention. Respond to what they have heard. Remember & sing entire songs. Sing the pitch sung by others. Sing the melodic shape of familiar songs. Create their own songs. Play instruments with control. Begin to explore, and begin to use a variety of artistic effects to express their ideas and feelings. Begin to return to and build on their previous learning, refining ideas and developing their ability to represent them. Begin to create collaboratively, sharing ideas, resources and skills. Begin to listen attentively, move to and talk about music, expressing their feelings and responses. Begin to watch and talk about dance and performance art, expressing their feelings and responses. Begin to sing in a group or on their own, increasingly matching the pitch and following the melody. Begin to develop storylines in their pretend play. Begin to explore and engage in music making and dance, performing solo or in groups.</p>
