## *Railway Children Day Care Nursery*

### **After School Club provision within The Ellis C of E Primary School**

We are a family run business and currently have 4 Railway Children provisions. We have a full day nursery in Elsecar, Barnsley where we offer breakfast club and after school club and full day care. We have a provision in Treeton, Rotherham, offering full day care, breakfast and after school club and holiday club. We run a breakfast club within Brampton Ellis Junior School which accommodates Infants and Juniors. We have an after school and holiday club based in the Brampton Cortonwood Family Hub in the school grounds. We have been open over 16 years with Elsecar being our first provision.

We have had several conversations and a meeting with the Ellis Headteacher regarding a high demand for an after school provision and the school sent out questionnaires for parents / carers to complete for feedback.

After discussions, we are pleased to announce that we will be opening an after school provision within school grounds. Ideally this will be from w/c 20<sup>th</sup> February 2023, but we are waiting on the final authorisation from OFSTED.

If you require after school care, please contact me directly to enquire or book in.

Our opening hours will be 3.15pm – 5.30pm.

There is a £25.00 booking fee to secure your child's place with us.

It will be £10.90 fixed rate charge for 3pm – 5pm, which includes a light snack.

5pm – 5.30pm is a fixed rate charge of £7.50

Siblings will receive a 10% discount

We will be offering a wide range of activities within the club, such as creative, painting, sand / water, reading, writing, colouring, outdoor play etc.
