Accessibility Plan 2024-2027

Completed and approved EE April 2024. To be reviewed April 2027.

The Ellis CE Primary School Accessibility Plan 2024-2027

Purpose of the Plan

The purpose of this plan is to show how The Ellis CE Primary School intends to secure appropriate access to the school for disabled pupils.

At The Ellis CE Primary School our values reflect our commitment to a school where there are high expectations of everyone. Children are provided with high quality learning opportunities so that each child attains and achieves all that they are able to. Everyone in our school is important and included. We promote an ethos of care and trust where every member of our school community feels that they truly belong and are valued. We work hard to ensure there are no invisible children here, recognising everyone's uniqueness and success. We recognise learning in all its forms and are committed to nurturing lifelong learners. We are a safe school, committed to improving children's confidence and self-esteem. We know that safe and happy children achieve.

Legal Background

This Accessibility Plan is drawn up in compliance with current legislation and requirements as specified in Schedule 10, relating to Disability, of the Equality Act 2010. School Governors are accountable for ensuring the implementation, review and reporting of progress of the Accessibility Plan over a prescribed period.

The Equality Act 2010 replaced all existing equality legislation, including the Disability Discrimination Act. The effect of the law is the same as in the past, meaning that "schools cannot unlawfully discriminate against pupils because of sex, race, disability, religion or belief and sexual orientation".

Definition of Disability

According to the Equality Act 2010 a person has a disability if:

- He or she has a physical or mental impairment, **and**
- The impairment has a substantial and long-term adverse effect on his or her ability to carry out normal day-to-day activities.

This plan sets out the proposals of the Governing Body of the school to secure appropriate access to education for disabled pupils in the three required key areas of; curriculum, environment and information;

- increasing the extent to which disabled pupils can participate in the school curriculum, which includes teaching and learning and the wider curriculum of the school, such as participation in after school clubs, leisure and cultural activities or school visits;
- improving the environment of the school to increase the extent to which disabled pupils can take advantage of education and associated services, which includes improvements to the physical environment of the school and physical aids to access education.
- improving the delivery to disabled pupils of information, which is provided in writing for pupils who are not disabled. eg. handouts, timetables, textbooks and information about school events. The information should take account of the pupils' disabilities and the preferred format of pupils and parents and be made available within a reasonable timeframe.

The Ellis CE Primary School aims to treat all stakeholders, including pupils, prospective pupils, staff, governors and other members of the school community favourably and, wherever possible, takes reasonable steps to avoid placing anyone at a substantial disadvantage. The school aims to work closely with disabled pupils, their families and any relevant outside agencies in order to remove or minimise any potential barriers to learning, which puts them at a disadvantage, but allows them to learn, achieve and participate fully in school life. The school is active in promoting positive attitudes to disabled people in the school and in planning to increase access to education for all disabled pupils.

As part of the school's continued communication with parents, carers and other stakeholders we continually look at ways to improve accessibility through information analysis and parental discussions.

Contextual Information

The whole of the school building and playgrounds are accessible for wheelchair users. As a single storey building there is no requirement for ramps etc. indoors and ramps are available to access the vast majority of outdoor spaces, including the school field, over grass. Our MUGA (multi use games area) has a ramp which is used for lunchtime games and PE and the playground is fully suitable and accessible for PE lessons should this be required.

The school has a nurture room to support our children with ASD and provide a calming environment for those with emotional / behavioural needs.

Two designated disabled parking spaces are available close to the school's main entrance. All steps are marked with visibility edging for visually impaired pupils and all doors are in a markedly contrasting colour to their surrounds. A disabled toilet facility is available with space for a wheelchair, a low hand basin and an easy to reach pull cord for emergencies.

The Current Range of Disabilities within The Ellis CE Primary School

The school has children with a limited range of disabilities which include Autistic Spectrum Disorder, OCD / ADHD, visual impairment and significant medical needs. When children enter school with specific disabilities, the school contacts the LA professionals for assessments, support and guidance for the school and parents.

We have some children who have asthma and all staff are aware of these children. Inhalers are kept in the classrooms and a record of use is noted. Some children have allergies or food intolerances and these are included in the 'children with medical needs' details in classrooms and the main office.

All medical information is collated and available to staff, in classroom files, the head teachers' office board and the school office. We have competent First Aiders who hold current First Aid certificates and staff trained in paediatric first aid.

All prescribed medication is kept in the fridge in the school office which has easy access for First Aiders and staff members. Administration of Medicines consent forms are filled in by parents outlining the illness and amount and time of medication. All medication that is given is recorded on our First Aid app which delivers the information to parents at 3pm daily.

Completed and approved EE April 2024. To be reviewed April 2027.

**The Ellis CE Primary
School Accessibility
Plan 2024-2027
Objectives**

EQUALITY AND INCLUSION

	Strategies	Outcome	Timeframe
To ensure that the accessibility Plan becomes an annual item at the FGB meetings.	Clerk to governors to add to list for FGB meetings.	Adherence to legislation.	Annually.
To improve staff awareness of disability issues.	Review staff training needs. Provide training for members of the school community as appropriate.	Whole school community aware of issues.	On-going.
To ensure that all policies consider the implications of disability access.	Consider during review of policies.	Policies reflect current legislation.	On-going.

PHYSICAL ENVIRONMENT

To ensure that, adjustments to the school buildings and grounds maintain accessibility for all children and adults	Audit of accessibility of school buildings and grounds by Governors when making building adjustment.	Modifications will be made to building / development proposals to maintain access.	On-going.
To ensure building upkeep / maintenance takes account of accessibility requirements	Consider colour / paint schemes for visual impairment needs when re-decorating. Maintain step edgings /outdoor ramps/ footpath ramps / signs etc. to a good standard to secure ongoing suitable access	Ongoing school upgrade and maintenance will meet requirements of DDA	Ongoing.

CURRICULUM

To continue to train staff to enable them to meet the needs of children with a range of SEN.	SENCo to review the needs of children and provide training for staff as needed.	Staff are able to enable all children to access the curriculum.	On-going
To ensure that all children are able to access, as far as is safe to do so, all out-of school activities. eg. clubs, trips, residential visits etc.	Review of out of school provision to ensure compliance with legislation.	All providers of out-of-school education will comply with legislation to ensure that the needs of all children are met.	On-going.
To provide specialist equipment to promote participation in learning by all pupils.	Assess the needs of the children in each class and provide equipment as needed. eg. special pencil grips, headphones, writing slopes etc.	Children will develop independent learning skills.	Reviewed termly by SENCo.
To meet the needs of individuals during statutory end of KS2 tests.	Children will be assessed in accordance with regular classroom practice, and additional time, use of equipment etc. will be applied for as needed.	Barriers to learning will be reduced or removed, enabling children to achieve their full potential.	Annually.

WRITTEN/OTHER INFORMATION

To ensure that all parents and other members of the school community can access information.	Written information will be provided in alternative formats as necessary.	Written information will be provided in alternative formats as necessary.	As needed.
To ensure that parents who are unable to attend school, because of a disability, can access parents' evenings.	Staff to hold parents' evenings by phone or send home written information.	Parents are informed of children's progress.	Termly.
