

This is our Reading Area where we have lots of amazing books to enjoy.

This is our Construction Area where we can build lots of different models.

This is our Playdough Area. We can roll, stretch and cut the dough.

This is our Writing Area. We can write our name and other words and letters.

This is our Sand Area. We can make imaginary worlds with the animals, fill buckets or containers with sand or play with the diggers.

This is our Loose Parts area. We use different items to make our pictures.

This is our funky fingers area. This is where we play activities which help us develop our fine motor skills.

This is our Creative Area. We can make pictures, draw, stick or cut here.

This is our Home Corner. We can pretend that we are at home.

This is our small world area. We can pretend play with the dinosaurs, pirates and farm animals.

This is our Investigation Area where we can explore!

This is our Maths Area where we can count and sort!
